★ The Shane Doan Award The Tanner Catalano Foundation in partnership with the Shane Doan Foundation and Arizona High School Hockey Association, are pleased to announce the recipients of the Shane Doan Award. These Senior Varsity players exhibited the qualities of hard work, perseverance, intensity and humility. The recipients of this award have proven to be leaders for their teams both on and off the ice, in the community and exemplify good moral character all while maintaining a GPA of 3.00 or higher.

This prestigious award has been given to the top Senior players who were nominated by their High School Hockey Head Coach. A committee made up of members from the Tanner Catalano Foundation, the Shane Doan Foundation, and Arizona High School Hockey Association, reviewed over 20 applications and narrowed it down to an elite few.

Each recipient of this award will receive a \$2500 scholarship check and a plaque presented to them by Shane Doan.

We would like to Congratulate, Senior, Justin Hutchison on receiving the Shane Doan Leadership Award!

- ★ **THE BANNER SPORTS MEDICINE INVITATIONAL** was a huge success for our Pioneer Track Team. Congratulations to our many athletes who beat their personal records, and set new school records. Our boys team took home the championship trophy! See all of their accomplishments [here](#).

- ★ **PINNACLE SPIRITLINE, THIRD IN THE NATION** Congratulations to the Pinnacle High School's Spiritline who had a successful weekend at USA Nationals. Many of you see Spiritline supporting other sports throughout the school year such as Football and Basketball, but what you may not know is that we also compete throughout the entire school year at various competitions. The USA Nationals in Anaheim, California is our grand finale of our season. This past weekend the members of our Varsity Pom and Cheer Teams made Pinnacle History! This was the first time ALL Pinnacle routines advanced to finals at Nationals! Additionally, our debut in the Crowdleader Division earned us 3rd place out of 20 teams! These girls work the entire year supporting and cheering on others while also committing themselves to their own competition. They are true rockstars! Thank you for your continued support of the Spiritline program and Go Pioneers!

- ★ **PINNACLE FOOD DRIVE** On behalf of Key Club and the PV Community Food Bank, I wanted to say thank you so much for our school's generous donations of 2,010 pounds of food in our most recent food drive. Mr. Charlie Zeeb's English classroom won with the most donations of 408 items total. We greatly appreciate everyone's efforts in making this such a successful food drive to help our community!
- ★ **PINNACLE HIGH SCHOOL STATE DECA COMPETITION** Pinnacle DECA students have worked hard, studied, and practiced to prepare for this past weekend's AZDECA State conference. Please read how well DECA did in the state competition [here](#).

- ★ **PINNACLE HOCKEY** Congratulations to Pinnacle Hockey for making the All-State 1st & 2nd Teams in Division 1 and Division 2!
 Division 2, First Team:
 Tyson Derryberry (D)

 Division 3, First Team:
 Aris Papadatos (D)
 Ben Stenger (G)
 Division 3, Second Team:
 Dane Caudle (F)

- ★ **AFRICAN-AMERICAN STUDENT ASSOCIATION** As part of a month full of events to celebrate and acknowledge Black history, members of Pinnacle's African-American Student Association held the school's first ever HBCU Mini Fair! A diverse group of students gathered to learn about the origins of our nation's Historically Black Colleges and Universities, and their significance to Black American culture and education. The presentation was led by AASA President, Zamarrea Bogle (Junior). Shown here are (l to r) Brady Campbell (Sophomore), Jayson Turner (Junior), Rai'Jon Jones (Junior), Zamarrea Bogle, Lauryn Mattox (Junior), Matt Smith (Freshman), Amiya Marshall (Freshman), Taja Evans (Junior), Amirah Battle (Junior), and Aniyah Palmer (Junior).

- ★ **PINNACLE BLOOD DRIVE** Your students may be approaching you about our Red Cross Blood Drive coming on March 22, 2023. Pinnacle is proud to sponsor the blood drive twice a year. I am sure you all understand the importance of blood donations and lives saved. So when your student 16+ years asks for permission and your signature please consider a yes. It also prepares them for public service in life. Thanks for your consideration. BTW we will accept your donations on March 22, 7a-1:30p.

- ★ **PINNACLE THEATRE COMPANY K-3 WORKSHOP** We are putting on a workshop for K-3 students and would love parents to share with families they think may be interested. Please complete the registration [form](#) for each child to sign up for Once Upon a Mattress. An email will be sent with directions the week of the experience. Please remember to bring your payment of \$50 (cash or check addressed to Pinnacle Theatre Company booster) to drop off on Friday April 21 at 5:45pm.

- ★ **THIRD PARTY FOOD DELIVERIES:** For the safety and security of the school we would like to remind everyone that Pinnacle High School can only accept food deliveries from a parent or guardian. Third party food delivery services like UberEats, Postmates, etc. cannot deliver food to students while in school. If food is delivered we cannot allow the student to have the delivery until after school. Unclaimed food is thrown out at the end of each day.

- ★ **ATTENDANCE:** Regular attendance is the key to student success. Students should remain out of school only when absolutely necessary, such as in the event of an illness. Students must be fever-free and without medication for 24 hours before returning to school. If your student needs to miss school due to illness, a doctor's appointment, or for any reason, please call the Pinnacle High School Attendance Line at (602) 449-4001.

- ★ **SCHOOL LUNCH FOR THE 22/23 SCHOOL YEAR:** The Nutrition & Wellness Department has returned to charging students for their meals based on their free, reduced, and paid meal application status during the 2022-2023 SY. The 2022-2023 Free & Reduced Meal Application will be available starting Monday, July 11, 2022 for parents to complete. Online meal applications can be completed at EZMealApp.com; It is extremely important for families to complete and submit the 22-23 SY meal application in order to avoid potential negative account balance charges.

- ★ **GOOD NEIGHBOR POLICY:** Pinnacle would like to remind all stakeholders that we practice a “good neighbor policy”. We ask that everyone be mindful of where you can and cannot park in the surrounding neighborhoods and parks. Parking in these areas during the day, or during drop-off and pick up can cause a safety concern if too many cars are parked or moving in areas that have high foot traffic. Remember, parking in city parks is for park use only. The city reserves the right to tow vehicles from city property at any time.
- ★ **DROP OFF & U-TURNS:** PHS has received a number of calls from concerned parents about dropping off students in the desert North of PHS with the students then jaywalking in traffic to school. Also we have noticed more u-turns on Mayo Blvd. Please do not drop your student off in the desert or make u-turns on Mayo Blvd. In addition, please do not drop off or pick up students along Black Mountain Blvd.
- ★ **SCHOOL SAFETY:** To ensure that parents are aware of emergency preparedness information, the PV district has set up the following website on school and district safety: [School Safety - Paradise Valley Unified School District](#)

- ★ **MEMORY PAGES** Memory Pages are a continuing tradition of each PHS graduating class. Memory pages are collected from the Seniors and then put in a scrapbook for the 10 year class reunion. There is no fee to submit a memory page.

Your job is to create a scrapbook page to commemorate your graduate (include your students name, photos of family/friends photos, school events, extracurricular, your choice). Use one side of the page and keep the decorations within the page.

Please use a standard size 12x12 scrapbook page.

You can pick up a blank memory page to decorate and drop off your finished memory page at any time in the counseling office, or the final drop off will be at Graduation Rehearsal. No memory pages will be accepted after that.

Email POP with any questions at pop@parentsofpinnacle.org

- ★ **PROJECT GRAD 2023!** Invest in our youth – support Pinnacle High School and make ‘Project Grad 2023’ a success! Project Grad is an all-night graduation party for our students to celebrate safely. It is a chaperoned, alcohol & drug free celebration held at Dave & Buster’s at Desert Ridge Marketplace immediately following the graduation ceremony for all graduating seniors. Project Grad is offered entirely free to our seniors. How are we able to do this? With your help!

* With 600+ graduates, the cost of this year's event is approximately \$60,000.

* Project Grad “Wish List” letter and Amazon Wish List

STUDENT HEALTH

- ★ **MEDICATION AND EMERGENCY CARDS** *Reminder* Update your [emergency card information electronically](#) as soon as possible so that we may continue to communicate successfully throughout the year.
- ★ **DRUG-FREE CAMPUS.** Pinnacle High School is a **DRUG-FREE CAMPUS.** All

prescription and non-prescription/over-the-counter meds must be kept in the nurse's office and stored in their original container.

- ★ To better familiarize yourself with the dangers associated with underage "vaping," please read "[5 Things to Know About Teens Using E-Cigarettes for Marijuana](#)" from *Your Teen for Parents*.
- ★ **HEALTH OFFICE PICK UP** When your student is calling to be picked up from school, please advise them to proceed to the Health Office for assessment to determine if going home appears appropriate for them. The nurse will always call if there is any question in terms of going home. By following this policy a more consistent procedure is developed for the rest of their school years at Pinnacle. Please remember to pick up the Medical Administration Waivers in the Health Office so that we can provide Tylenol, Ibuprofen, Tums, or other approved meds to your students to keep them in school as much as possible. Your student can pick them up in our office to bring home and return. Please, if you have medical concerns or questions regarding our procedures, call Mr. Morales at 602-449-4003.
- ★ **OVER THE COUNTER OR PRESCRIBED MEDICATIONS** As a reminder, students are not allowed to carry any over-the-counter or prescribed medications on campus. Medications are to be given to the Health Office with a signed permission form. Your student is subject to possible suspension if caught with them. This is for the safety of all our students. Thank you for your understanding.
- ★ **FEELING SICK...** We have seen a recent uptick in Covid cases. The Health Office appreciates your diligence in testing and reporting those cases. If your student is tested positive please let our office know and when the first day of symptoms were felt. The protocol suggested is 5d quarantine returning on day 6. Covid absences are not counted against their state monitored absence. Most Covid symptoms of this variant are mild but with certain students having pre existing conditions and lower immunities it is important to monitor the illness on campus.

SOCIAL & EMOTIONAL HEALTH

PERSEVERANCE

Perseverance is the No. 1 soft skill that sets kids who are highly motivated apart from those who give up easily. In fact, studies have supported that it is a stronger predictor of success than IQ.

Kids who have perseverance don't give up in the face of setbacks. They believe their efforts will pay off, so they stay motivated to work hard and finish what they start, despite any barriers that arise.

Here are nine ways parents can help kids build perseverance:

1. Fight the factors that discourage kids.

- **Fatigue:** Safeguard your child's concentration abilities by sticking to regular sleep routines. Turn devices off one hour before bedtime and keep screens outside of the bedroom at night.
- **Anxiety:** The pressure to succeed can cause overwhelming feelings. Express to your child that your love is not contingent on their success.
- **Identity solely based on fast achievements:** Instill a growth mindset so your child

- understands that success is not fixed. Praise them for their efforts, not their results.
- **Learning expectations that don't match abilities:** Set expectations just slightly above your child's skill level. Expectations that are too high can cause anxiety, while ones that are too low can lead to boredom.

2. Teach that mistakes are growth opportunities. Remind your kids that mistakes can be a positive thing, even if a situation doesn't turn out the way they expected. Accept their errors and tell them: "It's okay to mess up. What matters is that you tried." Admit to your own missteps, too. This will help them recognize that everyone makes mistakes, and that success happens when you don't let setbacks define you.

3. "Chunk" tasks. Teaching your kids to divide big tasks into smaller, more manageable chunks will help them feel more confident about completing things over time.

4. Celebrate small wins. Repeated failure can destroy perseverance, but the smallest success can encourage a child to keep going, so help them identify their little wins.

For example: "Last time, you spelled six words correctly. Today you got eight! That's a gain. You're improving because of your hard work!"

5. Stretch their focus. If your child wants to give up on an assignment, put a timer on their desk and set it for an appropriate length of time, tailored to their attention span.

Explain that they just need to keep at it until the bell goes off. Then they can take a quick break and reset the timer.

Encourage them to see how many problems they can complete before the bell dings so that they see they are succeeding. Over time, focusing will get easier.

6. Correct "stumblers". When kids give up, it might be because they can't see their way out of a challenge. Start by acknowledging their frustration and express that it's a normal feeling. Try doing a breathing exercise or taking a break. Then when they return to the task, see if you can help them identify one small stumbler that's getting in their way. For example: "It looks like you're getting the addition and multiplication symbols mixed up." Once the issue is clear, practice focusing on the stumbler until they slowly overcome it.

7. Praise effort. When kids are praised for their intelligence (e.g., "You're so smart!"), they are less likely to persevere. But when praised for their effort (e.g., "You worked so hard on that! Nice job."), they are more motivated and work harder.

8. Come up with "stick-to-it" statements. Negative self-talk like "I can't do it" or "I'm not smart enough" derails perseverance. Help your child choose a short, positive statement to say to themselves when things get tough. Remind them to repeat that statement out loud several times for a few days until they can remember to use it on their own: "Things don't have to be perfect. I will get better and better if I keep trying."

9. Step back and let them figure it out. Never do something for your children that they can do on their own. Each time you fix your child's errors or do something for them, they increasingly learn to depend on you. There goes the opportunity to develop perseverance. Once you know that your child can complete a task alone, take a step back. Allow them to embrace that feeling of accomplishment.

We all need to support each other.

STUDENT RESOURCES

- ★ **COUNSELORS** Counselors guide and advise students with academic courses, plans, and goals. They will periodically meet with students throughout the year to ensure they are on the path to graduation. For more information about counseling services, please see the [Counseling Website](#), also found in the Quick Links section on the first page of this newsletter. Counselors are assigned by the student's last name.

PARENTS OF PINNACLE (POP)

Parents of Pinnacle Membership Drive is still in full swing!

Parents of Pinnacle

The Parents of Pinnacle (POP) is the main Parent Organization on the PHS campus. You can compare us to the PTA/PTO's from your elementary or middle schools. Different from elementary and middle school, high school has a wide array of programs & clubs that students can become involved in. When students join a sports team or club, the parents usually support that individual team or club and, by doing so, think they are supporting the school as a whole. Unfortunately, this is a misconception. Memberships and dues paid to teams and clubs stay within those programs. POP works behind the scenes to make each student's experience at PHS special. POP needs the support of all of our families to be successful.

MEMBERSHIP: To join, go to the [POP website](#). Membership costs just \$25 per family.

SOCIAL MEDIA: Like us on Facebook - POP (Parents of Pinnacle), and Follow us on Twitter - POP@POP_PHS

HOW YOU CAN YOU HELP POP THIS YEAR:

Turn in your [membership form along with your dues/donation online](#). With over 2500 students at Pinnacle, we should be able to easily reach our fundraising goal. If each family were to join POP, (memberships fees are \$25), we would raise \$60,000. This would eliminate the need for other fundraisers.

Support a Program: If you would like to support a specific program with your monetary donation, please go to the [donation page on the POP website](#)

Volunteer, Volunteer, Volunteer: To have successful programs, we need the help of parents. The great news is we do all of our work behind the scenes so your students won't see you on campus.

Watch for our POP Online Auction for some amazing items to bid on.

Participate in our monthly restaurant fundraiser nights. The next fundraiser night is November 8, 2022 at Chipotle (21001 N. Tatum Blvd., Phoenix, AZ 85050) from 5:00-8:00pm. Come enjoy dinner and 33% of the proceeds will be donated to POP! See the POP website for the flier.

Register and support our Rewards Shopping Programs.

Donate your unwanted items to our "Clean the Clutter" donation drives (Fall - 11/5/22 from 9am-3pm, Spring - 4/1/23 from 9am-3pm).
